A complete application should include:

- A letter from the applicant indicating how their community service has informed their perspectives on teaching and learning (max 250 words). Please note that the letter may be used publicly to demonstrate the exemplary service Werklund Undergraduate students provide to the community;

- A letter of reference from the organization or community group with which the applicant is involved, demonstrating the applicants’ participation and commitment.

By signing below, I certify all information contained within the enclosed application is true and correct to the best of my knowledge.
