Use this form to describe your **volunteer experiences** that are relevant to your application to the Werklund School of Education Community Engaged Leadership Scholarship valued at $20,000. For each site, we require (a) dates volunteered, (b) your position/role, (c) a description of your responsibilities. Calculate the sum of hours by adding up all hours in the ‘Total Hours for All Sites’.

Experiences must be **UNPAID***, and should involve an element of Leadership and Community Engagement where the student:

1. Contributed meaningfully to a community by demonstrating leadership, and
2. As a result, made the decision to begin earning credentials for a career in Teaching/Education.

**Relevant experiences** include but are not restricted to:
- teaching-related (i.e., volunteering in schools, Sunday school, coaching,)
- leadership/ supervisory (i.e., leading youth groups, summer camps, organizing events)
- helping/other activities (i.e., youth mentoring, assisting at shelters for youth, hospitals and/or care centres)
- “Community” refers to a group of people worldwide, so Community Engagement could imply an experience volunteering overseas

* Should any form of payment have been received (e.g., an honourarium), please make this clear. In addition, should you have performed both paid work and unpaid volunteer work with the same organization, please ensure it is clear what was done on a voluntary basis vs. what was done as paid work.

Using the next page, please list one or more Volunteer Experiences (you may duplicate the page should you wish to add additional volunteer experiences).
**Name:** Click here to enter text.

**UCID:** Click here to enter text.

**Site #1 (Organization):** e.g. Loving Care Community Centre

**Dates Volunteered (mm/yy):**
From: e.g. Jan 2016          To: e.g., Feb 2018
